

**ADDENDUM
PURCHASING OFFICE
CITY OF AUSTIN, TEXAS
WELDING & FABRICATION SERVICES FOR MED/HEAVY DUTY VEHICLES & EQUIPMENT**

Solicitation: IFB 7800 BRS1021

Addendum No: 1

Date of Addendum: Jan 29, 2021

This addendum is to incorporate the following changes to the above referenced solicitation:

1. Questions/Clarifications and Answers:

(Q1) Please define vehicles.

(A1) *Vehicles: Covers all vehicles and equipment, including cars, garbage trucks, excavators, dump trucks, parts of equipment such as buckets for tractors, and hauling trailers.*

(Q2) How often does field work occur?

(A2) *Field Work in the Scope of Work is referring to the Service Centers.*

(Q3) After Hours: How often does this occur and does this include the weekends?

(A3) *This is very rare. Field work would not be done on the weekends. Repairs can be made to any of our units on the weekends if the vendor is open during those times. This would not qualify for off-shift hours.*

(Q4) We are 76 miles away from the State Capitol, will this disqualify us?

(A4) *In an effort to keep transportation time to a minimum, we need to adhere to the 50 miles requirement.*

2. ALL OTHER TERMS AND CONDITIONS REMAIN THE SAME.

This Addendum is hereby incorporated into and made a part of the above-referenced Solicitation.
